On the very toop of heading where Cultural Council · Students' Gymkhana is written it will be Media and Cultural Council Students' Gymkhana
On the same heading you have written timing only 9-10 which is partially correct so write proper time mon to thur and fri to sun.

On the home where on a srtip it is written Free Membership write it No Membership Fee

Everywhere *Book Club, New SAC* is written write it *Book Club, New SAC*, room number 104, OAT in the same font

On the home page use the mellifluous original cover instead of a made on

On the footer it is written The SAC Book Club, under the Cultural Council of the Students' Gymkhana, IIT Kanpur. Write it Book Club ubder the media and cultura council of students' gymkhana iit kanpur

Remove this line from very end of footer: Run by students, on a completely voluntary basis.

In the team section, keep the team in alphabetical order for coordinators and secretaries both even for the past team.

By default website will be light mode, (not system mode)
And remove library word from anywhere, everywhere it should be Book club or club

In past coordinators replace it with past team where coordinators will be shown as it is and add a section bellow for secretaries name and photos which i will save in a folder named past team
